“ Dear Dad,

You were much more than a father-in-law to me, you were a "Dad" to me. I will always cherish and remember our talks and how you understood me and how I believe I understood you and your values in life.

You and Mom were so welcoming and wonderful to me when I came back into the family 20 years ago. Since that time we made so many memories of our times together and our travels together, Mexico, Hawaii, Nebraska, Arizona, Shasta, Oregon, San Diego, here in Florida (not a very good one) and at the "family home" there in Wenatchee. Those memories will last throughout my lifetime.

You were a very special man, Dad. You were a devoted husband, father, grandfather and great-grandfather that was so loved by all of your family. I hope you know just how special I think you are.

I will miss you so much, but I know it was time for you to leave us and to be with Mom.

Bless you both!

Love, Sue

“ He was such a cute guy. I always enjoyed when he would come visit my Grandma Noyes and we got to see him. Always so friendly and fun and so fun to visit with. Love the pictures. They show his spunky personality.

“ Dear Karen:
You have been such a treasure to your father through the years. What a gift you gave him by being there, caring for him, and letting him know that he was loved. We never get over the loss of a parent, but you will rebuild yourself around the memories you shared together.
We send our love and prayers.
