

## Amy "Beth" Elizabeth Davelaar

November 24, 1959 - January 9, 2023

Beth Davelaar, 63, passed away in her home from cardiac arrhythmia on the morning of January 9th, 2023. Beth was born in Wenatchee WA to Lloyd and Joanne Larson and was the oldest of four siblings. Beth graduated high school from Peshastin-Dryden High School.

Beth was raised to believe in hard work and for the last twelve years owned and ran a fudge and candy store in Leavenworth called Happy Happy Fudge. Beth brought joy to others through her work and her wit, she was quiet but funny and loved a laugh. Beth made friends for life and when she loved, she loved fiercely.

Beth is survived by her mother Joanne Larson, daughter Erika Larson, siblings Eric Larson, Brett Larson, and Sonya Gere, stepchildren Alison Chapman and Tyler Davelaar, and their five children. She was preceded in death by her father Lloyd Larson and her husband Richard Davelaar.

In life, Beth was surrounded by family who loved her and whom she loved very much. Outside of her family she loved animals more than anything and would regularly donate to rescues and animal refuges. When her store was slow it wasn't uncommon to find her watching silly animal videos and laughing in the shop. If you would like to honor her memory through a contribution to our local humane society or Refuge River Ranch in Leavenworth, she

regularly supported them. Beth also loved The Gentle Barn and followed and donated on Facebook. Beth loved music and was regularly tapping her foot or singing under her breath. Later in life, she found a love of travel and exploration. She had plans to return to Costa Rica which had been her favorite place to visit so far.

Beth's memorial and celebration and life will be determined at a later date, likely in the spring or summer because everyone knows she despises the cold!

“ Beth was deeply loved by EVERYONE that got the blessing of having her in their lives. One of our great family memories was her teaching our girls her AMAZING skills on how to make fudge. The fact that she took time out of her day and business to impact a couple of young girls was a perfect snap shot of who she was and how she lived out her character daily. She will be missed and thought of with a great smile!

“ Beth's daughter, Erika, has been a long time friend. My interactions with her mom were very limited. However a few weeks ago she came over with Erika for a game of scrabble, and won handily. I wish I would have taken that opportunity to tell Beth what a wonderful job she did raising her daughter. Gracing us with a lasting legacy ❤️
