Andrea Lynn Greene

May 24, 1967 - January 29, 2021

On 1/29/2021 our loving wife, mother, daughter, sister, aunt, relative and beloved friend to so many finished her race, and was embraced into the loving arms of her Savior Jesus Christ.

Andrea Lynn Greene started her life as a little girl of Estonian descent who was born in California, and lived there with her family for the first 7 years of her life. Those days were spent playing and swimming with her sister and closest friend Erika, building the meaningful lifelong relationship with her mother Pam, and being involved in her father's passion for the Estonian community. After those initial years they moved to Tacoma, Washington where she would live the majority of her life. Anyone who knew Andrea knows she was a T-Town girl. She attended Tacoma Public Schools where she was an active cheerleader, became skilled at sewing, and also grew in her faith by being actively involved in her youth group. She starting early in life using her infectious joyful personality to always make others feel important, and build many lifelong friendships.

After high school she moved to Bellingham, Washington where she attended

Western Washington University, and made college friends that she cherished her whole life. She also started her lengthy and successful 24-year career with Joann Fabrics by starting her first management role in the Bellingham store.

In 2005, she met and married her husband David. They enjoyed many years of regular trips to Ocean Shores where they enjoyed God's creation, salt water taffy, and an escape from their busy lives. In 2011 Andrea's lifelong dream of becoming a mother was realized by the addition of Alaina Lynn Greene. She was the joy of Andrea's life. Andrea spent time reading to Alaina, talking to her about Jesus, and pouring her love into her daughter. Everyday as Alaina left for school Andrea would look at her in the car and make a heart with her hands, and then she would wait in anticipation for the moment Alaina walked through the door to hugs and playing with Barbies. Andrea's final thought as she walked into glory must have been of our precious little girl.

Sadly, the last many years of her life were plagued by numerous health challenges that robbed her of her mobility and function, but not of her strong gentle spirit. On her key ring she always carried a medallion with the following inscription,

"My precious child. I love you and would never leave you. When you see only one set of footprints in the sand, it was then that I carried you".

We're sad to lose our beautiful Andrea, but thankful she is no longer suffering as she enjoys heaven. We would like to personally thank Dr. Williams, Dr. Strauss, and the entire ICU staff at Central Washington Hospital for the skilled and compassionate care you gave to Andrea. Your kindness will never be forgotten.

Andrea is survived by her husband and daughter (David and Alaina Greene of Wenatchee), her parents Dave and Pam Konsa of Tacoma, Washington,

Sister and brother-in-law Erika and Sam Adams (their children Terin, Téa, and Sam) of Redmond, Washington, Brother and sister-in-law Matthew and Nina Konsa of Boston, Massachusetts, Her Parents in law Carol and Malcolm Greene of Wenatchee, Brother and Sister in Law Doug and Barbara Manning-Greene - their daughters Sophie and Darby, and many other extended family and friends who loved her dearly.

At this time due to the challenges presented by COVID 19 we're inviting you to view and contribute to the online tribute for Andrea at www.HeritageMemorialChapel.com. There will be a celebration of her life to be held later in the Spring or early Summer.

“ We remember Andrea as a loving, kind and considerate person. She was a beautiful example of how to treat others with love and kindness. She became a very loving mother to our beautiful little grandniece and provided her with the gentle love of a mother in the start of her new life. We will be forever grateful for that legacy. We know Andrea is with her Lord and Savior, Jesus Christ, and that we will see her again one day. We will miss her and her beautiful smile and gentle spirit. We are sad for her absence and for the grief that her husband, daughter, family, and we friends are feeling. But, we rejoice that her journey with major health issues is over and she is whole and healthy again. What a joy it will be to see her again when our life journey here is over and we walk side by side with her in our final home, Heaven. What a privilege it was for us to know Andrea and be able to love her and be a part of her life. Lovingly, Cliff and Vonnie Gier

“ I have many memories of our daughter-in-law, Andrea, but one stands out. We were fortunate to be able to travel to California with Andrea and David to meet six day old Alaina and make her part of their family. So here we were, daughter-in-law and mother-in-law together in a hotel room with this tiny new baby who was screaming at the top of her lungs. Neither of us had any recent experience with such a tiny one. At first nothing seemed to work--rocking, singing, pacifier, walking the floor, etc. Finally she stopped screaming and we both breathed a sigh of relief. That was probably the very first time that Andrea truly became Mommy to that precious little girl who became such a blessing in her life. I am grateful I got to be there.

“ While Andrea and I lost contact as adults, I have wonderful memories of our childhood years together. We loved to be together at church activities as well as play at each others' homes as often as possible. She was a sweet, kind, gentle soul and I'm grateful to have known her. Even tho I rarely saw her after our childhood, I always considered her a dear friend. Praying for you Dave, Alaina, and the rest of the family as you work through the grieving process. So very thankful that we have HOPE in Jesus and will be together forever. Much love, Susan Carter

“ Dear Dave,
Such beauty taken from you far too soon. Can only imagine the beauty she is growing in and beholding in heaven at this time! May you and your daughter always sense her legacy of love is all that you do and in all of your days and may you tangibly sense the love, care and prayers of others during this difficult season.

“ My Dear Friend Dave,
I am so sorry about Andrea. My heartfelt thoughts and prayers are with you and Alaina during this time. May God bring you both peace and love.

“ Dave,
I remember the first time Andrea brought Alaina to meet us at Hospice. I don't think she (or you for that matter) stopped smiling the whole time. Big, huge, ear-to-ear smiles. That is how I'll always remember her. My heart goes out to you and Alaina. I'm thankful for your faith. Andrea laid a solid foundation for both of you to carry on with. There will be ups and downs and that's ok. Grieve how you need to together and separately. Remember to breathe. Sending continued thoughts and prayers as you maneuver through the days ahead. 🙏❤️🙏
