Bailey Dawn Logan

June 9, 1996 – November 8, 2024

There are angels on Earth and we know, because we've had one in our lives and we called her Bailey.

On November 8th, our beloved Bailey has moved on to heaven, free from pain and reunited with grandparents and family who were there to greet her. I can imagine her free from the restraints life put on her body, joyously running through the flowers, playing with cherished pets as she would have if she could while here, and affectionately surrounded by loved ones.

Bailey had her family by her side as she embarked on her new journey. Though her time with us was short, she changed the world for so many. She was a big sister when needed and a little sister to all who came through her door. Bailey fought a long and hard battle with the utmost courage, embodying the strength and spirit of an incredible young woman. Her amazing smile was so pure and bright, and it lit up the room, bringing out the best in everyone she met - she was a true angel sent from heaven.

Now free of pain, Bailey watches over us. Although she may not be physically present, she will forever remain in our hearts until we meet again...

Bailey is survived by her parents Scott and Caprice Logan; her grandmother Gloria Bailey; brothers Hunter and Harrison Logan; and her sister Aneya Garcia. She is also survived by numerous aunts, uncles, and cousins.

“ All of us who had the pleasure to see Bailey smile will always remember the joy she brought to our lives. Bailey reminded us that each day is precious and that courage takes many forms. She returned the love she received from her family, teachers, caregivers and friends, by brightening everyone's days with loving responses, happy eyes and a great big smile.
