“ Barbara was a lovely person who I hadn't seen in over 35 years until January this year. I'm so glad I got to see her once again and she was so unchanged after all those years. The one funny story I'll never forget is about her unique laugh. Both she and our head nurse were in a store in Hawaii, unbeknownst to each other being there, when Barb's laugh gave away her presence and they held a reunion.

My condolences to her loved ones, we will all miss her.

“ Barbara was a very good friend to me, beginning almost 60 years ago. We began as colleagues working at the Wenatchee Valley Clinic and she soon became a treasured friend. Her wit and infectious smile will always be remembered.
