“ *Went to Spokane to see Uncle Bernard in the hospital in Spokane. He was in good spirits joking around needing his guitar to enjoy while waiting to go home to finish healing up. He was really happy to see us. We were really happy to see him too. He had just gotten through a pretty rough spot in ICU.*

“ We always went to his house for his birthday and went to late lunch or brought KFC, always a favorite. I miss him so much. It's been a week today since I spoke to him. He was my Uncle and my friend. I was there for him and he trusted me. I did my best. I love you Uncle Bernard, till we meet again.
