Billy Joe Foster, 72 years old, passed away on Friday, June 12th in the arms of his son and daughter after losing a courageous battle with cancer.

He was born in East St. Louis, Illinois to Uhland C. Foster and Freda J. Ermert on July 9, 1947. He attended Buchanan High School in Troy, MO. He later received a degree from the Dallas Institute of Mortuary Science in Kansas City, MO.

He eventually made his way to Washington state in 1979 where he met and married Linda L. Winrow. They welcomed a daughter in 1981 and a son in 1984 whom he took great pride in and loved immensely. He worked for a variety of companies including Boeing, Seattle P.D., Fleetwood homes, and Cooper homes which brought him to Wenatchee WA. In the end, his passion for helping others with Legal matters led him to self-employment through his Pre-Paid legal business, later known as Legal Shield.

Bill lived a simple life that revolved around his loved ones, church, his

business, and fascination for sports, trains, and current events. Anyone that knew him, experienced an unrivaled level of kindness, love, and support. Encouraging advice or a prayer was always just a phone call away. He will be greatly missed by many.

“ From Sandra (Sandy) Case:
Many years ago, Bill helped me and my husband Roger (now living at Colonial Vista) to move and get our own home. And Bill was a huge blessing to us throughout the following years. If it hadn't have been for Bill, we don't know how we would have made it. We are both so sorry to hear that he passed away. Bill is such a wonderful wonderful man. God bless him on his walk home and God bless his family.
