“ *Bonnie was an amazing woman in so many ways. She and Lowell had a long loving marriage that others envied. She was the best mother to her four children. Bonnie was a wonderful and loving teacher to so many little ones in the Cashmere community. Her presence will always be remembered by not only her family and friends, but by the whole Cashmere community. We love and miss you so much. We thank God for having you in our life. Until we see you again. - Carolyn, Dale, Steven, & Garrett*
