

## Brandyn Luis Perez

February 4, 1991 - January 6, 2015

From the moment Brandyn entered our lives and hearts on February 4, 1991, we were forever changed. Brandyn taught each of us in many different ways the true meanings of strength, courage, love, hope and acceptance. His life was filled with struggles but he never gave up and he impressed us all with his ability to overcome obstacles that seemed insurmountable. His curiosity reminded us to look beyond ourselves and appreciate the things that cannot be seen but must be felt. His determination was a shining example that no door was really locked and no tree was too high to climb. His joy was contagious, his smile and delight could light up a room. His laughter and even his tears came deep from within and it was impossible not to be touched. He showed us, demonstrated and reminded us that even though he was born with special needs that we are really more alike than we often realize, he connected us in ways that matter and go beyond limitations; the greatest of which Was and Is L O V E.

Bman, you be missed always but you will always be with us and we will carry you with us in our hearts forever.

Brandyn Luis Perez left our world on January 6th, 2015. He is the son of Luis and Sundi Perez and the brother of Michael (Lilli) and Brooke Perez. He is survived by grandparents Luis & Eva Perez and Diane Ogee; great grandparents, John and Marion Robinson and Helen Meyers and many aunts, uncles, cousins and special friends of the family.

He was preceded in death by his maternal grandfather, Murray Robinson. The Perez family would like to thank all who were in ways big and small there to help them and Brandyn along the way. His journey was that much more special because you were in it.

“ For Diane and family:  
Kimberlee and I were so moved by one of the most well-written memorials we have ever read in the newspaper we both worked for a combined 50 years. I can still clearly remember how your face would light up whenever I asked for an update on Brandyn on my haircut visits. By what we read, it was clear that he was truly and inspirational and loving member of your family. I'm so glad you had over 20 years to enjoy him.  
We both are so sorry for you loss.  
All the best to you  
Nick and Kim.
