“ Brooke, I miss the late night phone calls to come and pick you up. I miss Alberto and you and I hanging out and the laughs we had. I miss your morning phone call that kept me company on my drive to work in monitor. I miss your lovely contagious laugh 😂 and how you made me laugh so hard I could hardly hold my bladder. The hockey games that we went too were epic. The compassion and love you showed me during my loneliest times. You were there to get me through my divorce never to leave me alone. Most of all I miss you Brooke. We had some unforgettable times. You are forever in my heart ❤️
