“ I had just met Carmen this year, and wish I had more time to get to know him better. My wife Cynthia works with Chela at Palisades School and I was introduced to Carmen through her. He was such a kind man and I will miss him and his infectious smile dearly. The last time I saw Carmen was at Walla Walla Point Park where he had just spent all morning cooking carne for a baptismal service. Although I hadn't known him long I considered him a good friend who will be sorely missed by all. God, in His infinite wisdom, has taken a great man home. Blessed be the name of the LORD! My sincere condolences to Consuelo and the rest of Carmen's family.
Respectfully,
Craig

“ I work at Bethlehem Construction so I had the privilege of getting to know Carmen when he started working for Mike and Linda. We were always happy to see Carmen stop by the office because he always wore that smile of his and he was always so kind and happy. I was so sad to hear of his passing and I will truly miss seeing that smile. Please accept my deepest condolences on the passing of such a wonderful husband, father and gentleman, I'm so very sorry for your loss.
