“ Carol was a most loving person to all who entered her door. She especially loved the children around her. Our two boys and we were all honored with her care. As a common friend just reminded me...she taught us how to raise our sons (she was right and Carol always had a good suggestion). She always had a song in her heart and shared so much early stage music learning with the children around her. What a beautiful voice! She was always there, every day and more than that if we needed it. We will always appreciate what Carol's day care and her entire families' involvement did to support our family and the development of our children. While with the Harmon family, we made life long friendships. We enjoyed running into Carol and Jim in the community to share a moment of family going on. Our hearts go out to Jim, your children, and grand children and all the people still in the day care. One thing we know, the love abounds where they gather. Hopefully, the singing will also.

“ Words cannot convey how special and loved Carol was by our family. She was our daughters' 'daytime' mom throughout their childhood. She taught them, cared for them, and loved them. She took them to church on Wednesday nights. She had sleepovers for them. My daughters have two favorite meals from Carol, chili 'n rice and her chicken noodle soup! This past summer Carol and Jim attended our daughter's wedding and we have a beautiful picture of them with the bride and groom that we will cherish. As Sherry said, she was truly a God-given angel on Earth!

“ Carol was a true prayer warrior. She was the most kind hearted, caring person I have ever known. She was a second Mother to our children. They always felt safe and happy while in her loving care. We were truly blessed when we found Jim and Carol Harmon to care for our children while we were at work. She nurtured and cared for hundreds of children. She was a God-given angel on earth and we will miss her desperately. We love you Carol!
