“ *I love and really miss you Great Auntie Carol. Thank you for all the treats, stuffed animals..especially the hanging monkeys and the gummy worms you sent to me in Alaska.*

“ *When the Maltby girls came to Monroe Schools we didn't hit it off to well but later we all became great friends. Carol and I soon became best friends and did alot of fun things together, like skipping school! We grew apart after school but I will never forget her smile and thoughtfulness. Hugs to her family! See you someday Carol!!*

“ You know I didn't know carol that long but am one lucky person to get to know her. She was always coming by my office asking questions giving me a hard time. Once she was being pushed by me in the hallway and she looked at me and said staci help he (josh) is picking on me, I told her well let's get him back. I love carol still to this day. She is a memory I would cherish. Her family was so sweet and caring no matter the circumstance and no matter when we called to ask a silly question. I hope that she is waiting for everyone and you all have a great reunion on day with this lovely lady. Rip Carol you are a sweet soul. I was glad to be there in the final moments of your life you are one amazing woman.

“ Carol was one special lady... in the short amount of time that I got to know her at Mountain Meadows.. she was so much fun and full of spirit... i can only imagine the person that she was years ago while she still felt good and was "adventuresome"! Enjoy your healthy life and body with the good Lord now Carol. RIP girl!
