“ Cary was my neighbor. Over the years, and especially after Sharon's passing, learned what a sweet, kind man Cary was. Always giving back to his community and upbeat. I will miss our frequent, mid-street chats in the neighborhood. I've been looking for you and hoping you were well. My sincere condolences to Cary's family and friends. I will miss him.

“ Cary has been our next door neighbor for over 9 years now & the neighborhood is going to be so strange without him. I think we saw or spoke to him once a day until he got too sick to be outside. We admired Cary for his devotion to his wife, Sharon, and for his kindness and caring for all living things. (He wouldn't let us kill a bullsnake one day, just chased it into the bushes.) We will miss him so much. RIP Cary - I am so happy you are with Sharon again, but 2nd Street will not be the same.

“ So sorry for your loss. Cary will be greatly missed in the fire service. He had an incredible eye for capturing the essence of a fire. Very decent person. Godspeed Cary.

“ I saw Cary on many fires I was working on and had great respect for his helping chronicle the events of others trying to save stuff. I told him I would ask him along next time to accompany me in close proximity to our operations, though out of harms way, but never got the chance, and I regret the lost opportunity, but he was a great guy whom I much appreciated, so sad to lose him.

“ I know Cary from caregivers support group. He was such a compassionate and sincere person who cared for his wife Sharon and then decided to share his experiences and knowledge with others going through caregiver process. I learned so much from him and counted him a dear friend. So sorry that his life had to end more quickly than anyone expected my thoughts and prayers to his children and extended family
