“ Hi Fitcher's, It has been awhile I have been here to visit you. I sure do miss you. I come to tell you I am going to be GGma for the 4th time. Justin is going to be Gpa for the 1 st time and the bottoms are pooping off. Brooklynn and Jacob are having a little girl in Aug. I am so excited.

I got to help raise Allie Bug for 4 yrs. she was born addicted to meth. She is the sweetest little girl and the lovinest little girl because I gave her all the love I had for you and I told her that I missed you so much when I had her to look after. I had her call me Mema so You always in my thoughts. And you never were far away. She is a sweetheart.

she told me "Mema you know what I really really want for my Birthday this yr? I told her I already had her Bithday gift> She says but Mema..... I said okay I will think about it but I wont promise. So I went home and looked all over tri cities and had to go on line and find one. They wanted 35.00 to 45.00 for a Doc McStuffins Doctor kit. I ordered her one off Amazon and got her a pair of Bluey PJ's She was in hog heaven. I got hugs all nite long . I love that little girl with all my heart. “ Charlie Robert as your Mom I miss you so very much and always have for the last 11 yrs and 2 months.  
I got a few new photos that the girls found when they were making a memorial for Uncle Busters service the 27th of July after he passed away with glioblastoma brain cancer. Which is an aggressive form of brain cancer which kills patients with in months.  
His tumor was the size of a LG lemon. They had to take more of his brain to get the tumor. It was on the right side.  
He was having a problem with his right eye and the eye Dr. thought he had a stroke in the right eye.  
So he gave him blood thinners for it. The he called Aunt Dona and she told him to get a MRI and a Ct scan and the found the tumor right away.  
They got him a room in Seattle and he had surgery after his blood thickened up from taking the blood thinners.  
He was cut across his head from ear to ear. Horrible looking scare. She was a witch to him. pushing him down, hitting him, not giving him the right meds at the right time, just screwed up everything . she needed to be turned in but we didn't know about it till he was already expired.  
That is really to bad. Thank God I took care of you and I know I never was mean to you and I took care of you with love the whole time. You were my 1 born and I loved you with all my heart and wanted to spend my time with you.  
I love you and miss you with all my heart Charlie. Love always and for ever. Love Mom and Justin and Kids

“ Charlie I miss you more and more each and every day.  
It was really hard on me in January when my apartment burned on  
January 4th and your ashes were in there on your Memory shelf.  
Your glasses and all your memories burned but I made the fire man  
look for your urn till they found them.  
I have you with me safe and sound like the song says.  
I know where you are at all times.  
I couldn't have lost you. I would have been heart broken.  
I lost you once but never again.  
I can't bare to lose you again.  
On the 17 th of next month (May 2023) it will be 10 yrs you left this  
world and got your wings.  
That was the saddest second for me as your mom.  
I have never had to face the most hurtful pain in my whole life as I  
have losing you Fitchers.  
You were my one and only Fitchers and there will never be another  
one.  
Love you to the moon and back and infinity and beyond forever and  
ever  love always your loving mom ZELMA!! Gma Elmo as your  
kids call me.  
And your granddaughter my great granddaughter Savannah. She is  
a sweetheart from the word go.  
You would love her and have her spoiled rotten by now.  
And Kylo your grandson he is cooler than sliced bread and he would  
be spoiled rotten by now also.  
They are really very special great grandchildren. Love them to  
pieces.  
Well I miss you to pieces love  always till next time. Love always  
your loving Mom Jeannie.

“ Dad, I miss you. I hope you beat up all the boys who have broke my heart. It's almost your birthday promise to write on every one of your birthday's from this day forward. Have good grades. I hope you watch over me like a hawk and give me a kiss every night. It's hard to say goodbye after being a daddy's girl. I feel like I have to forget about you and focus on mom's new boyfriend, as you would say f\*\*k him. I think about you every minute and every night. I wish you were here today. I get bullied because I don't have you in my life anymore, I think about it as if your still alive but in creature form, I think charlie was sent as a gift from you to us. Go play fetch with Gawa in heaven. Catch up with you later, Love you.

“ I am Charles Boddeker's 3rd daughter, I was almost three when he passed away. I have a few things I would like to say. I hate not having a dad anymore, I get bullied because of it. I know that if he was here today he would be wanting me to be positive, but I can't, how can I be positive if I have a dad who has passed. He was a good man that had been put on earth to watch 8 kids grow up, but a heart attack got the best of him. I have his sense of humor, anger issues, and last name. I am proud to be his daughter. “ I have all too many memories of you, Chas. Four fantastic years together worth. We were a little rocky towards the end but I still loved you like it was the first day. It has been almost a year and a half since your departure but I think of you every day. The girls speak of you often and miss you as well. I see a lot of you in them...especially their stubbornness and some of the expressions that run across their faces. They're growing like weeds. Lyric is thinning out. Milytia will start school next year. All these first are hard for me at times, knowing you aren't standing there with me to watch them grow up. Makes it harder when I see other kids with their dads. The girls know you're in Heaven. Milytia says you still talk to her, and I do believe it. Well... We love you infinity and beyond, daddycakes. Miss you so much.

“ Chas.. though I really only knew you through Jessie, what I did know is you truly cared about those little girls. You did your best to make sure they were taken care of and happy. I know there were rough patches in the end but you were loved by all and will always be remembered.
