“ One of my cherished memory of Dad, was he loved to fish. We would load up in the station wagon, drive up Tumwater Canyon and and fish at the old power plant site, bottom of the rapids below the railroad trestle. Summer evenings, several times a week. He also loved perch fishing at Fishlake. When we went to Oregon at my Grandparents, we would fish at Silver Falls.
Dad taught me to Love God and taught me great work ethic and that character and a good name is an important attribute. To give all for your family and to treat others with respect.

Dad, You were the best father ever! You faith in God has been a blessing to me. You and Mom raised all 5 of us with respect and love. I am so grateful for so many things. I remember not only your fishing, but your bowling as well. You took the girls one week and the boys another. You did your best to teach this left hander to bowl! I love you and will someday see you and Mom again. Until then,

“ Dad I have been blessed by your examples of love and compassion. You were always there for me and the family as a peacemaker or as the patriarch of the Family. You always saw only the best of a person and never judged. You and Mom showed as how to love in our relationships and were great examples of compromise and understanding. You will be missed but always loved
