“ *I met Chuck in June 2017 when him and I were both patients at the rehab center in Wenatchee. I had just had my 2nd leg amputation and he his first. Although I was much younger I was able to connect with him and enjoyed the time when we got to visit. I saw him once more out eating at the Country Inn, and was so glad he remembered me. Sad to hear about his passing as I thought of him often and hoped we'd run into each other in town again.*
