“ Cheri was like the sister I never had and I will miss her for the rest of my life. There are so many wonderful and fun memories with Cheri such as the time we went shopping and noticed on the way home that her shirt was inside out and laughed hysterically the rest of the way home or the time we watched the Classy Chassey Parade together and pulled out into the actual parade when we thought it was over and a police office motioned us to get out, or the time we went to Home Depot to get paving bricks and Cheri asked the young man helping us at the store who he thought was better looking. . . .I can sit and remember so very many wonderful memories with Cheri. Wenatchee dims by her passing; she was loved and she will always be remembered. My heart goes out to Larry and Crystal at her loss.
