“ I will miss the times that you Bob and Ron made a trip to see Luke and the time all of you went fishing together at Casey pond. I enjoyed the time that I made biscuits and gravy for all of you and I hold those times close to my heart. You will be missed dearly and I will look back on the good memories that we all spent together as a family. Rest in peace! Carol Casey

“ I miss the times that your brother Bob and you came up to see your brother Luke to go fishing at the pond that Luke named Casey pond. And I will miss the times that I fixed biscuits and gravy for the three hungry Brothers. Ya'll said it was close to the way your mom made biscuits and gravy but not quite. Those were the good old days that we can look back on the memories that we hold dear to our hearts. Rest in peace Clint,love Carol Casey

“ *I'm Not There*

*Do not stand at my grave and weep, I am not there, I do not sleep.  
I am a thousand winds that blow, I am the diamond glints on the  
snow.*

*I am the sunlight on ripened grain, I am the autumn's rain.*

*When you awaken in the morning's hush, I am the swift uplifting  
rush of quiet birds in circled flight.*

*I am the soft star that shines at night.*

*Do not stand at my final resting place and cry.*

*I am not there; I did not die.*

*I found this in an old newspaper.*

“ *One time, a few summers ago, my friend and I were eating steak  
dinner at Clint's house. Bobby Joe was there also. Clint cooked, 2  
minutes on one side, 3 minutes on the other side, in the kitchen  
oven. (on Broil, I think,) It was perfect! After dinner, Clint leaned  
back in his chair and asked, "I wonder what all the poor people are  
doing right now"? My unemployed friend, quickly answered "we are  
having dinner with you". We all had a good time and laughed!*

“ *Clint's nickname "Catfish" was acquired when he reached puberty,  
his whiskers came in on the sides of his upper lip, and looked like a  
"Catfish". My brothers Bobby Joe, Clinton and " Jug" fished a lot, so  
they knew what a "Catfish" mouth looked like. He never minded, he  
had a good sense of humor, and took it with a grain of salt.*

“ Clint Casey was a wonderful human being. I am his sister Benny Casey Moss. He has some very traumatic events in his adult life, that changed him, he was badly hurt by someone that he trusted. He avoided some of the loved ones, that he cared about deeply, afraid that they may hurt him again and worse. After that, he never trusted anyone, except Ron Osborne, "jughead" and his family. Most of us have nicknames, my name is "Bernice", my Mom, Bonnie Casey told me when I was little and trying to talk, I kept saying "Bens wants a drink". when I wanted water. I could not say "Bernice". Thus, "everyone started calling me "Benny".

I want to thank Jug and his daughter Deborah, for being Clint's best friends and for taking such good care of my brother Clint, while he was alive and after he passed on. She made great choices for his final resting place and taking care of all his business.

If anyone has pictures of Clint, please post them on his website at [www.heritagememorialchapel.com](http://www.heritagememorialchapel.com) or call Heritage at 509-470-6702, they will assist you with posting them on Clint's Memory Wall or leaving a condolence for the family.
