“ To all of Colins family...I am so sorry. He and I have kept in touch over the years and my heart is so sad that he is gone so soon. I will always remember his laugh If I listen hard enough I can still hear his voice. He came to see me at work not to long ago...it was a pleasant surprise. He called me darlin....and it still makes me smile. Please know that I am thinking of all of you, and I know how hard you worked to get Colin to a better place. He is now with Jeannie and Marty...just waiting for all of us to come and hang with him at his party in the sky!
