

Connie Lynn Scott

July 16, 1954 - March 4, 2014

Connie Scott, 59, a 30 year Wenatchee Valley resident, passed away on Tuesday, March 4, 2014 at her home in Wenatchee, following an extended illness.

She was born on July 16, 1954 in Seattle to the late Robert William and Lula "Lorene" (Lilley) Lawson. As a young child they moved to Yankton, SD, where she was raised and received her early education. She attended the nearby Gayville-Volin High School and graduated as the Valedictorian of her class in 1972. That summer, she met Lilbern "Les" Scott and they were later married on November 1, 1974 at Abilene, Texas. They made their first home together in Abilene for a few years before moving to Lubbock, Texas, where their first two children were born. In 1984, they were enticed to move to Wenatchee by Connie's brother, Jerry. They have since continued to make their home in the Wenatchee Valley.

From 1989-2000 Connie served as the Children's Minister at King's Orchard Church of Christ. During this time, she also attended Wenatchee Valley College and received her A.A.S degree in Early Childhood Education. She owned Noah's Ark Christian Childcare from 2000-2003. She worked at St. Paul's School as the Director of the Day Care from 2003-2004 and for 2004-2009 as Children's Director at the Wenatchee Free Methodist Church. She remained at this position until ill health forced her to retire.

She was a member of the Wenatchee Free Methodist Church. She especially enjoyed children, crafts and sewing.

She is survived by her husband of 39 years, Les Scott, Wenatchee; their three children, Heather R. Scott, Wenatchee, Trey Scott, Seattle and Jeff M. Scott, Wenatchee; her step-mother, Reva Lawson, Wenatchee; two brothers and sisters-in-law, Jerry & Judy Lawson, Wenatchee and William "Bill" & Patti Lawson, Coleharbor, ND and two sisters; Nancy Lawson and Laurie Lawson both of Wenatchee. “ *You cannot think of Connie without remembering her smile and her good humor. I first met Connie when she was a Kenroy parent and PTO member. She always strived to help our students and parents and later became the PTO President. If you can always smile as a PTO President, you have mastered one of life's goals.*

Connie was instrumental in supporting Kids Care, a social skills program at Kenroy. I don't believe I ever asked Connie to help with kids, parents or teachers, that she didn't smile and agree. She was a part of our Kenroy Family and will be missed.

There are some people you meet in life that you don't forget.

“ I know obituaries are difficult to get everything in, especially as of late for my family. However there was no mention about Connie working at Kenroy Elementary, that is where I met this wonderful woman, she was working with the Special needs kids and my son Adam was one of those kids. She always had a soft spot in her heart for him even just weeks ago she would light up when I mentioned what Adam was doing these days, she always made me feel good and shared with me how much she enjoyed him. I will miss this lady and her special gift with Children, she will always hold a place in my heart. I truly believe if I didnt have a special needs child I wouldnt have been able to know this special lady, I am blessed in many ways. RIP dear Connie.. see you on the otherside someday!

“ We have been through a lot together, but this journey you took alone. I rejoice that you are now healed and holding my "spot" like you said you would. I'll see you again even though I'm missing you now. I love you my BFF!

“ I told my lovely wife this morning of Connie's passing. She is in Utah with her daughter. She is so heart broken that she is out of town at this time. Connie Scott was a dear friend of hers for years dating back when she knew her when she was involved at Kenroy Elementry in East Wenatchee. We ask Gods blessing on the family of this special lady who loved the lord a lot. Connie and I both loved her greatly. James Allen

“*Lilbern, we are with you and your dear children in thought, and you are on our hearts today. Nancy, you must feel a special peace, knowing that you did everything you could to help Connie to be as comfortable as possible. Thank you for doing that when I wasn't able to. Donna is here in Houston this week, helping me care for Jim, and she also sends her love. There are no words to explain how much we loved Connie thru the years. We have all learned many things from her, especially how to make something positive come from horrible circumstances. We are thinking now also of Jerry and Bill, who I know also cherish the years we all had with Connie. If we didn't love her so much, this wouldn't be so hard! So we are just trying to be thankful for having her as long as we did, and we would love to hear from all of you when life tries to return to "normal".....someday. We love all of you and miss you very much, Ruth included. Dixie and Jim*

“*Les, Heather, Trey and Jeff, the Bren Family loved Connie so much. She was a constant source of kindness, encouragement and fun. We all enjoyed fun events with Connie. Her humor kept us laughing but she loved us so well....we all kind of thought she liked us best! I'm thinking there are about 1000 people who think they were her best friend. That's how she treated people. And maybe that's true....her heart was so big....I think she just might have had 1000 best friends (or more)! Sending our love to the Scott Family during this time of grieving.*
