“ My condolences to the Polly family and friends. It is a painful thing to lose a precious love one in death. Jesus, too, when on earth, felt the pain of others' grief over the loss of a love one (John 11:33,35,38) and still feels our pain. Ultimately our Almighty Father knows your pain. He did not purpose his human family to get sick and die but purposed us to live and enjoy life in perfect health. It is still his purpose (Psalm 37:11, 29). He calls death an enemy that will be removed forever__1 Corinthians 15:26 "the last enemy, death, is to be brought to nothing"; Sickness will be a thing of the past_ Isaiah 33:24 "and no resident will say, "I am sick"; and He promise to awaken our love ones in the memorial tombs from asleep in death__ Hosea 13:14 "From the power of the Grave I will redeem them; From death I will recover them." Allow these words to keep comforting all of you.
