

Crystal Richardson

September 28, 1980 - February 14, 2024

Crystal Dawn Richardson was born to Nancy and Gordon Richardson in Wenatchee, WA on September 28th, 1980. She attended Eastmont School District where she made many friends and also gave her parents a few gray hairs. She met her husband there and went on to welcome the two joys of her life, Tyler and Holley Bickford. Her children were her biggest accomplishments and loves. Watching her become a mother was a joy to those around her. Those stories and that love will forever be shared with her children. The memories will be cherished along with so many laughs. Her laugh was contagious even when it often came with a “shut up” being hurled at her sister and friends.

Crystal later began to struggle with addiction and unfortunately lost her battle. While conversations surrounding the epidemic of drug use may be difficult to talk about, being open may be the difference between life and death for someone. Our hope is that in honor of Crystal’s life, we ask that truth be spread in regard to this epidemic and awareness be raised, that one less family will feel this pain. Crystal is no longer suffering and her family will find peace knowing she is with her parents now. Crystal is survived by her two children, Holley and Tyler, her sister Amber, stepfather Jerry, her honorary sister Chelsea, best friend Kristin, and many others.

We love you so much it hurts us.

In lieu of flowers, we ask that a donation be made to the Women's Resource Center in Wenatchee, WA.

The family would like to thank all friends and family who have reached out and offered love and support to Amber and the kids as they navigate through this nightmare. Thank you to those who showed up to love Crystal and tried to help her. To those who couldn't be bothered may you never find yourself in this situation. Kindly

“ *Some of my most favorite memories with crystal was when me and Melissa and Crystal would have girls night and sleep over at her house and dye our hair then stay up late watching scary movies and snacking out. Another memory was when she was teaching me how to drive a car. We had so much fun back then. You will be dearly missed by all of us! I send my condolences to Holly, Tyler, amber, and Jerry! Until we meet again my friend 🌹🙏❤️☐*

“ You are my sunshine
My only sunshine
You make me happy
When skies are gray
You'll never know, dear
How much I love you
Please don't take
My sunshine away
The other night, dear
As I lay sleeping
I dreamed I held you
In my arms
When I awoke, dear
I was mistaken
So I hung my head and I cried
You are my sunshine
My only sunshine
You make me happy
When skies are gray
You'll never know, dear
How much I love you
Please don't take
My sunshine away

Yes, she had her mother's beautiful voice! But shy to sing in public. ❤️
