“*Danice was a wonderful caring woman and a second "Mom" to Lynn Gahringer. She always enjoyed visits, a good laugh, her fur babies and making her fabulous candy at Christmas time for all. A heart filled with love. You are missed and not forgotten.*

“*Danice, was a wonderful friend to my Mother In Law Peggy Wolfe. They met when they worked together at the school district and remained friends the rest of their lives. They helped each other through loss and shared good times speaking daily until age and ability made that harder. Danice was a wonderful and caring person who will be missed. “*Danice and Bill welcomed us to the ranch in Monitor many times when my parents were still living. She prepared great meals and always shared a good laugh with my mom. You are a very special person and the memories of you and Bill are cherished..*

“ She was my bus driver when i was in grade school and jr high. I remember a day that she was so mad at this driver in front of bus driving so slow and that had pulled in front of her without signaling . Mrs Brown was just a little vocal and i laugh pretty hard and she told me that it wasn't funny. I said i know but it was my Grandma and she always drove like that. She felt so bad but i told her that the hole family knows she a bad driver so its ok.
