“ *I will always remember you brother. When you were young. Up in  
the pinetree, on the wood platform, you built up there. Where you  
read your books.  
Love you, and miss you very much !

“ *My Dearest/Precious Bobo,  
You are the most amazing, intelligent, loving,  
kind, gentle, funny, generous, fun, thoughtful,  
caring human being. Thank you so much for  
the unconditional love. I'm so glad I was able  
to have you as my Uncle. No one could ever dream of having an  
Uncle as great as you. You are truly my best friend. It's such an  
honor to know that we are a lot alike because all my life I've looked  
up to you. It's not going to be the same without you. Not even close.  
I'm going to miss you for the rest of my life until we meet again. I will  
cherish the memories of you forever. I have always loved you with  
all my heart and soul and always will.*

*Your one and only niece,  
Ash*
