

Daniel George Feigal

April 8, 1962 - October 4, 2016

Daniel George "Dan" Feigal, 54, a long time Wenatchee Valley resident, passed away at home near Cashmere on Tuesday morning, October 4, 2016. Dan was born on April 8, 1962, in Burns, Oregon to James Clayton and Daisy E. (Brown) Feigal. The family moved to East Wenatchee when Dan was one year old. He grew up in East Wenatchee and attended Lee Elementary, Sterling Junior High, and Eastmont High School. While in high school, Dan became active in FFA. He graduated with the Eastmont Class of 1981.

Following high school, Dan began working at area pizzeria businesses. First, he worked at the Wenatchee Pizza Hut. Later, Dan worked at Pizza-N-More and Abby's Pizza in East Wenatchee (where he created the Heart-Shaped Pizza). Finally, he returned to Pizza Hut. During this period, Dan purchased and rode a large displacement motorcycle. With his small stature, Dan was regularly stopped by all the law enforcement agencies whose officers were skeptical of his age.

In 1984, Dan went to work at Tree Top in Wenatchee. He worked in the dehydration department as a palletizer and forklift operator. Dan worked at Tree Top for 16 years until his ill health forced him to retire in 2000.

Dan battled Diabetes, beginning in his early childhood. Things appeared dim in the early 1990's when he began to suffer renal failure. A remarkable gift of life was given to Dan by his sister Amy's gift of a kidney in 1992. Dan gained a new lease on life and lived an additional 24 years. Dan and Amy would always enjoy a special bond--(Dan often joked that his mood changes were

attributable to that darn female part!).

As a car buff, Dan is well remembered for his Bradley GT, VW kit car, and, mostly, for his Oldsmobile 442 Convertible nicknamed "Bubbles" which he painted Harlequin Translucent. He actively presented Bubbles at car shows. He and Bubbles also transported local political personalities and the Misawa, Japan, Sister City Dignitaries in the Parades.

Dan especially enjoyed the outdoors, hiking in the North Cascades, sleeping outdoors in the hammock and listening to the river, his string-pulled talking stuffed monkey "Chester", and his OLDS 442 "Bubbles".

Dan is survived by his mother, Daisy E. Feigal, Cashmere; his companion, Lori Davis of Dryden; his three siblings and their spouses, Debra & Leonard Anderson, East Wenatchee, Del & Aimee' Feigal, Vantage, Washington, and Amy & Stewart Smith, East Wenatchee; 11 nephews, 1 niece, and 10 great nieces and nephews. He was preceded in death by his father, James Clayton Feigal, on March 25, 2006.

A Graveside Service will be held on Monday, October 10th, at 3:00 p.m., in Evergreen Memorial Park Cemetery, 1301 10th Street N.E., East Wenatchee. All friends and family are invited to attend. You are invited to view his tribute online at www.HeritageMemorialChapel.com and leave a memory for the family. Arrangements are in the care of Heritage Memorial Chapel, East Wenatchee.

“ My heart goes out to your family. Dan was a great guy with a wicked sense of humor. His car was his pride and joy and if you got to ride in it you were so cool. I was cool a few times. LOL. Saying prayers for all of you during this time. He is gone, but not forgotten.
