“ Dan was a friend in Motion. We were sparring partners at Dragons Way martial arts. I was Dan's friend and we shared time telling stories of life and shared some common ground. I found he loved diving and we talked about the freeness of being in the ocean with no worries and how free we felt for an hour at a time. I am saddened by his passing but I am blessed to have been apart of his life if only for a moment. Dan was a funny person and so easy to talk to. We were better for knowing him!

“ Dan and I met thru LeTip of Tigard many, many years ago. Dan was a friend first, fellow LeTip Member and a Client. He will be missed. Dan had many great attributes which made him stand out from others. He would always listen intently when in a conversation. He did great work and took pride in leaving his mark on every home he painted and truly lived his LeTip motto, "I Love UGLY!" I challenged Dan to come up with a conversation starter of 5 or fewer words. A few days later he called me to ask me how "I Love UGLY!" sounded as a conversation starter. I must have laughed for 5 minutes and told him how brilliant that was. He never made a commercial in LeTip without his new conversation starter. Dan was humble and did not shy away to admit he did not know everything when asking for advise. I liked that and learned from that feature. Dan, you will be missed!

“ I had the pleasure of spending every Thursday morning with Dan at Le Tip. He took me under his wing as a new member and made sure I got to know everybody. I enjoyed his cheery disposition and laughed every time he spoke. I loved hearing of his travels and all the funny stories that came with that. He was a great man. I will pray for his family and friends that they can find peace and comfort during this time.
