“ Dan was a man of unique character and it has been an absolute pleasure to call him my friend for more than 30 years. He was generous, yet sometimes a penny-pincher, jovial yet sometimes too serious, outgoing yet at times withdrawn. I could go on and on but the most important thing about Dan was he had a loving and caring heart. He struggled at times to show it, but it was clear to me that his family and friends meant the world to him. We were all blessed to have him as a part of our lives. He will be deeply missed. Our condolences to all who knew and loved him. Doc & Nicki Hamm
