“ My favorite and certainly most cherished memory of Dan is from 2007 when my husband Mike, Dan's cousin took me over to meet the family. On our trip from the Omak area to Monitor and Mike knowing I'm a social butterfly, politely let me know more than once that Dan was not a "talker" so to not take it personally, I was well prepared. Dan and I talked our entire visit 🤔.
So all I heard on our return trip home from Mike was: " I can't believe Dan talked that much", he's never talked that much. He never talked that much to ME! I felt pretty special that day.
It was a great honor and feel truly blessed to have had Dan in our lives and for him to serve as best man at our wedding.
We love & miss you ❤️
