Dan and his family moved to Cashmere in 1972 where he graduated from Wenatchee High School in 1976. Dan was a positive influence on many people with his entrepreneurial spirit and hard work ethic, he was well known for his integrity, honesty, love & tenderness. He loved and cherished his family and being with his grandchildren brought him some of his greatest joy. He had a love for restoring and driving classic muscle cars including his Cuda, El Camino and Challenger. He enjoyed the many opportunities he had to race anything with tires & a motor. He loved to be in his shop working on his current project ranging from putting a car back together to fixing a toy for one of his grandbabies. Dan also had a love for knowledge & learning in all things. He specialized in doctoring their owies and always had their perfect treat. He will be deeply missed.

“ *Debbie, My heart goes out to you and your family as you deal with Dan's death. It was such a shock to see Dan's obituary in the Wenatchee World. I'm truly saddened by the news of his passing. You, your family, and Vita Green touched our lives in many ways. How I wish that I had taken the time when I saw you in Denney's this past week to stop, chat, and give you a hug. I've regretted it all week and now I regret it even more. I know that you are a strong person with a strong faith. Take comfort in it and in your many memories. Sending a hug along with our condolences. Linda & Kerry Page*

“ *Having Ken in our family and knowing Dan through him, we know this is a great loss. Ken's love for his brother allowed us to see Dan for the wonderful father he was and his great love for his children. We are sorry for your loss. We feel his loss also.
