“ Dearest Jean and Children ~ Loved ones, My heart is broken for you all at the sudden passing of our dear friend Mike. I Promise we will Honor our dear friend each and every Wenatchee Apple Blossom Festival at Tami and Kevin Lexa's with a toast of the very fine friend he was to us all, but just will not be the same with out him always giving us all something to laugh about! Okay Jean remember on Sunday me and Tami need to join you to go to Memorial park to buy Mike's mom her Mother' day Present! (I Promise Mike us BFF"s with carry on you and Jean's Tradition as long as she makes her shrimp angel hair pasta!) Love you all, Heidi Neal
