“ My favorite memory with David was working at Kohl's together. He made work tolerable with his positivity, contagious smile, and hilarious comments. He pushed me to pursue my dreams and constantly encouraged me from miles away. He was truly a gem. He will be missed but never forgotten.

“ David was so kind, generous, witty, and just a great soul. He was kind enough to take Colton and I to two Portland Trailblazers games and opened up his house to us. He would never let Colton or I spend a penny even when we insisted on it. Those weekends in Portland are some of my most fond memories not just of David but of my life in general. I know he's enjoying his time up there with the big Guy.

“ My first memories of David go back to when we were kids it seems like he was the one always getting hurt. We were playing in the sprinklers at the Sunnyslope house and he steps on the sprinkler and slices open his foot, lots of stitches. Another time being rushed her again to the hospital with a burst appendix but always a trooper always a fighter and **STRONG TO THE END**. I will remember going to Portland and 12 for Marshall the Cancer Walks being on Davids Team. You fought a courageous battle love you and see you are you soon Cus. May God stretch out His arms and receive you into all His glory and peace you are Home.

“ Many years ago when I became part of the Marshall family and David was a young boy, I would cut his hair (for free) and one particular evening he was wanting me to cut his hair, I told him I was not up to it, so he told my mother in-law on me and she gave him some money to get a haircut from an actual stylist. He then proceeded to pocket the money for something else and still hounded me for a cut lol. He has always gave me a bad time like any brother would do to a sister yet never hesitated to tell me how much he loved me or appreciated me. David, our life will never be the same without you here in it! We look forward to seeing you again one day. Love you little brother. Pretty sure if you could read this little memory, you would be rolling your eyes and smiling. Miss you so much and love you deeply! Love your big sis💙

“ I remember when David was growing up he always kept his room clean and made his bed every day, he was so clean and he would wash his own clothes. Love you forever, until we meet again.

“ The best memories of being with my Uncle David are when he took me to Blazers games and we got to go crazy. I got to connect two big things in my life, basketball and one of my best friends. Thank you for all of the other amazing memories as well. I love you man.

“ I don't even know where to start... I've never gotten so close to anyone so quickly and in the short amount of time I was able to share his life we created countless memories. The one thing I'm missing most so far is sharing silly bitmojis with each other on snapchat everyday. He always knew how to brighten my day. He will forever be remembered as the sunshine in my life☀️❤️

“ My favorite memory of my brother David is when I first moved back to Vancouver in 2015. I hadn't seen him in a couple of years, though we talked via phone on occasion. We met up at Applebee's ( where else? ) and all evening we caught up as if no time had passed. He kept telling everyone we met, "This is my littlest sister, and I am so proud of her. She and I are the normal ones of our family."

*There are many moments I could share about my brother, but this one makes my heart feel whole again. David made it feel like I was home again, and I will never forget how wonderful I felt that day, or how happy he looked. What a great brother!*

*I love you, David, forever.*
