“ Dawn was a coworker and more importantly, she was a friend. I think of her regularly and miss her as she left us way too soon.

“ Our kind friend Dawn who was a loving mother to her dog shi shi she was a great giver and kind hearted anyways, MY most recent story about her was with her and my daughter Nija they camped outside our house and spent the whole night talking laughing, and playing games! My daughter was always excited to go walking to the dollar store with her or any place she was a good kind hearted person whom got abandoned by her family as far as i could tell....people never really understand what they have until its gone!....we love u Dawn and know your in a better place! xoxoxoxoxo and i will miss ur special pancake recipe so if any one knows it please pass it on thanks!
