

Dawna Elizabeth Hisey

November 3, 1975 - May 9, 2024

Dawna Elizabeth Hisey Moore, 48, departed this world after an unexpected incident Thursday, May 9, 2024 surrounded by family. She was selflessly an organ donor and the family was informed that she saved three lives that day.

She was born November 3, 1975, to Forrest W. and Marcella L. Hisey of East Wenatchee, where she was raised and educated. She later attended The Evergreen State College where she continued her love of music learning gamelan (traditional Indonesian percussion orchestra) as well as dabbling in international dance styles. There were very few instruments Dawna couldn't master in a short amount of time and she was composing songs from a very young age.

Dawna and Jonathon Moore have been together near twenty years, residing in Cashmere with Miles Moore, Alina Moore, and their many beloved cats.

She worked for several years at the Hometown Market in Cashmere only very recently starting a new job with the local Safeway. She loved working close to home because her priority was first and foremost her family.

Dawna is survived by her husband Jonathon Moore, daughter Alina Moore, stepson Miles Moore, Aunt Shirley Williams, sister Dianna (Hisey) Grandy, brothers, Daniel Hisey and David Hisey & their families, many nieces and

nephews, cousins, and extended family members and dear friends. She was preceded in death by her mother in 1983 and her father in 1992.

A memorial service will be held on May 22, 2024 at Heritage Memorial Chapel Funeral Home starting 11:00 a.m., with a graveside service to follow at Evergreen Memorial Park & Mausoleum where Dawna will be laid to rest near her parents. The service will be followed by a reception (location will be announced at the service).

“Dawna held a very special place in my heart. We grew up more like sisters due to our closeness in age, though she was my aunt. I have so many memories of riding our bikes all over Wenatchee, cruising the Ave, later living together, hanging out together somewhere just being silly, and always getting tacos whenever possible. She was so tremendously close to my daughter too, but sadly we all grew up and went our separate ways. I was so very happy to see her and her beautiful family Jon & Alina when we visited a couple of years ago. I will miss Dawna terribly and love her very much.

We love you Dawna. It's so sad that we didn't make time in our busy schedules and now we have regrets. We have our memories that we'll have our lifetime. We will be together again someday but until then give our love to everyone. I'll look for signs from you !!!!
