

## Dennis Lee Schooley

January 8, 1944 - April 10, 2024

Dennis Schooley passed away April 10th at home surrounded by his loved ones. Dennis was born and raised in Yakima Wa.

When he was just 5 years old, he became an avid 49er fan. That love carried on his entire life. One of his fondest memories was taking his son on a road trip to San Francisco to attend a football game.

Dennis met the love of his life in 1964. He and Donna were married just shortly after. Dennis and Donna were blessed with two beautiful children, a son and a daughter.

Dennis was an orchard manager for his entire working career. In 1976, he and his family moved to the Wenatchee area where he continued his agricultural career.

Dennis had many loves in his life but what he loved most of all was his family. Everything he did was for the family. He always made sure we were well cared for and he provided for us each and every day.

He also had a love for cars and loved rebuilding them. That was another joy he was able to share with his son.

Dennis was very fond of animals. He took in countless strays over the years because he never met an animal he didn't like. This was a joy and a passion he was able to share with his daughter.

I would say the biggest love of his life was when he became a grandpa. His grandchildren were his pride and joy. He will lovingly and forever be known as Bapa.

Dennis is survived by his loving wife Donna, his son Donald (Kim), his daughter Lynnete (Brad), his grandson Jordan, his granddaughter Hope and his sister Mary. He was preceded in death by his parents and his siblings.

We would like to thank Confluence Health for the care he has received over the last few months. A special call out to Dr Neil Hannigan for his wonderful care and compassion. We would like to thank the nurses who have all been great. While we can't name them all, a few nurses come to mind Kinda, Taylor and Shae. Thank you for your compassion and humor over these trying times. And thank you to the Hospice care, you are all incredible.
