“ My favorite food, still to this day, is Mexican food; particularly tacos. When I was in Jr. High I was invited over to Dolly's for tacos and I brought a can of chili. Dolly, Bobbi and Shari laughed at me (and thought I was crazy) as they had never thought of such an addition to the family tacos. Dolly proceeded to make her delicious tacos, with the chili on the side, and everyone enjoyed gorging themselves. After dinner I was able to observe Dolly, Bobbi and Shari interacting in a manner that I assume was normal to their family. I remember being amazed by the banter they partook in; as I hadn't had that kind of family dining experience before. I remember thinking, and then stating outloud, that "you all thought I was crazy bringing chili"!

Btw I refence crazy in an endearing way. At that time I had never laughed so hard visiting them. It was the beginnng of many memories...some in Bobbi's camero...that story is for another time.

“ Dolly's family: I'm so sorry for your loss. I went through a similar situation and I was very helped by the hope that I found in the Bible in John 5:28, which says, "Do not amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out". I am sending you a link with more information on this hope.

“ *Bobby and family, so sorry to hear of your mom's passing. A lot of fun memories. She gave it a hard fight. She can now rest easy and out of pain. My thoughts and prayers are with you. Please remember I am here for you. Love you all, Shelly (I'm sure she is up in Heaven chatting with Liz about the good ol' days!)*
