

## Donald "Don" L. Stewart

March 29, 1938 - December 25, 2024

Donald (Don) Leon Stewart, 86, born in March of 1938, a long-time Cashmere resident, was a man whose laughter and teasing brought joy to all who knew him. He passed away peacefully on December 25, 2024, surrounded by the love of his family. He lived a long and fulfilling life, leaving a legacy of kindness, humor, and cherished memories.

Born with a heart full of laughter and a natural gift for storytelling, Donald spent much of his life on the open road as a dedicated truck driver. Through miles of highways and countless sunsets, he found freedom and purpose in his work, connecting with people and places in a way few others could.

Don's love of life was infectious. He had an unparalleled talent for making others laugh, often teasing those he loved the most as a way of showing affection. His quick wit and playful nature were a testament to the joy he carried in his heart and shared freely with everyone around him.

He was the proud father of five children: Jim, Leo, Julie, Don, Laura, and many grandchildren. Each carries forward part of his warmth, humor, and strength, a true reflection of the man they called Dad.

Though he has now embarked on a new journey, Donald's spirit will forever remain in the hearts of those who loved him. His family finds comfort in

knowing that his laughter echoes in the stories they share and that his memory lives on in the countless lives he touched.

Don's life will be celebrated in warmer months; please contact the family for more information. In lieu of flowers, the family asks that you honor his memory by sharing a laugh, telling a joke, or teasing someone the way he did effortlessly every day of his life.

You will be missed but never forgotten.
