

Donna Lenore Fountaine

February 4, 1945 - February 18, 2023

Donna Lenore Fountaine (Mounsey), age 78 passed away on February 18, 2023. She was born February 4, 1945, in Seattle, WA to Doris and John Mounsey. She spent her childhood in Richmond Beach. She graduated from Shoreline High School in 1963. That same year she married the love of her life Walt "Sonny". She raised sons Danny and Tony to be generous and loving in all aspects of their lives. After 31 years in Shoreline, Donna and Walt moved to Camano Island, WA. Eighteen years later they settled in Soap Lake, WA.

Donna was gifted when it came to floral and gardening. She was a fixture at Wight's Home and Garden in Lynwood, WA for the better part of two decades. This passion for arranging flowers and landscape design were shared by her husband Walt, her son Daniel, and her brother Tom. Her yard and table settings were always a masterpiece.

In "retirement" she shared a passion for volunteering with Walt. Together they could be seen volunteering at the American Legion. Donna and Walt also shared many wonderful memories with her mother Doris and stepfather Robert "Bobby" Caseri in Kauai, HI, at Lake Cavanaugh, WA or on the golf course.

She was preceded in death by her husband Walter, sons; Daniel and Tony, and her parents.

Survived by brothers Tom and John, daughter-in-law Peaches and grandsons; Tony and Deven.

“ I am sad to hear about Donna's passing. My husband and I were fortunate to purchase Donna's and Walt's beautiful home and got to meet Donna. While it was difficult for her to let go of the "dream home " they built together (less than a year after he passed away), she handled it with great courage and grace, knowing it was too much for her to manage.

I bet the flowers in heaven are amazing and pray that Donna and Walt are together once more, but without pain or suffering. My condolences to their dear family. Judi Jensen
