“ Lana and Family; I can't express how much my heart aches for you as you walk through this path in your life. Loosing a child is something no parent should have to experience. I have gone through a similar experience loosing a husband as he took his own life 2 days before Christmas a few years ago. I believe loosing a child to the same circumstance is far more devastating. The holiday season will never be the same my friend.

I love you, if you ever want to email or talk, I am here for you.

My sincere sympathy goes out to you.

Much Love,

Carol Johnston
