“ I just recently found out he passed away. I'm so sorry to hear and so young! We were very close when his family first moved to Moses Lake. I will always remember him fondly.

“ Eddie was a very good friend to me when we were young and in school. I was deeply saddened to try to look him up and find that he had passed away so very young. If anyone remembers me from back then, I would love to reconnect with you. I have many memories of Eddie and our youth.

“ To an amazing man that we love so much and who we will miss deeply..
Our lives go on w/out u, but nothing is the same, we have to hide our heartache when someone speaks ur name: sad r the hearts that love you, silent r the tears that fall, living w/out u is going to be the hardest thing of all: you did so many things for us, ur heart was so kind and true & when we needed someone we could always count on u: the special years will not return when we r all together. But u live in our hearts & walk w us forever.. we love u Eddy RIP:)
