“ *Mona and Family: I sincerely grieve for you. I'm so glad I got to meet you and Ted a few years ago when I was visiting Washington and we met at Wayne Bell's home. My brother, Glenn Riggs, & I had Ted for a friend when we were children and neighbors, and went to grade school with him for a time at Pole Pen School in Douglas County, Missouri. I'm thankful he was my friend. May God bless you.*
