

## Eldon Ochs

October 1, 1950 - September 16, 2025

Eldon Andrew Ochs, 74, of Wenatchee, Washington, passed away on September 16th, 2025, at home surrounded by his family.

Eldon was born in Kellogg, Idaho, but moved here to Wenatchee early on in his life. Eldon dedicated 45 years of service to Keyes Fibre. Known for his humor, loyalty, work ethic and integrity, he took pride in the work he accomplished and the family he built.

He enjoyed playing slow pitch softball, bass fishing at Evergreen Res, riding motorcycles, 18 holes at the golf course and playing pool at the igloo. He loved woodworking and spent countless hours from the bleachers at his daughters' softball and volleyball games. A classic practical joker, Eldon had a way of bringing laughter and joy to those around him.

He is survived by his wife, Lori; his daughters, Myka, Krysten, and Kaylin; his grandchildren, Teegan, Skyla, Emma, and Liam; and his sisters, Lauvonne and Donnie. He was preceded in death by his daughter, Jenny; his mother and father, Lorraine and Ireaneus; and his brother Orville.

Eldon was truly one of a kind and will be deeply missed by all who knew and loved him.

Fly High and Ride Fast.

There will be a catholic mass being held on October 8th at 10am followed by a celebration of life at The Igloo in Wenatchee from 12-2.

We look forward to seeing everyone and hearing the endless stories.

He enjoyed his times riding to Sturgis with his Harley buddies and his rides to the border.

“ I called him Eno. He was older than me but second oldest of us kids. As long Eno, Eldon was around I knew I was safe. Eldon was a great one to play tricks on me the youngest of four kids. We traveled to Ill. Together to see and visit relatives we barely knew due to the distance between our home and theirs. Eldon, Eno, pet me on high alert through the whole trip pretending to be a person of many challenges. I was embarrassed but couldn't! Keep from laughing. He was always trying to embarrass me and he did. What I would give for a moment like that now. Eno, Eldon was my protector, my teacher, and buddy. Eno you will live forever in my heart and in my memories. I hope those who read this can get a ear feeling for Eno. He was someone if you met him and became a friend your life would be filled with memories to fall back on and say in your heart I knew and loved this man. Rest well. My brother. With love and tenderness. LM

“ I worked with Eldon for 32 of his 45 years at Keyes. We went from not liking each other to lifelong friends. He raised a wonderful family and was a loyal friend. Glad you are not in pain anymore, but you are missed greatly.
