

Elsie Dean Schreuders

April 23, 1927 - March 19, 2011

Elsie D. Schreuders (formerly Elsie Keppner of Quincy, WA) was born on April 23, 1927, in Teton, ID and passed away in her sleep at Highline Care Center on March 19, 2011.

We wish to thank East Wenatchee Assisted Living and Highline Care Center for their excellent care. Every person who was a part of her life in these facilities treated her with kindness, compassion and dignity during her decline. You made her laugh, gave her hugs, and extended those same kindnesses to us. We will be forever grateful. We also thank Heritage Memorial Chapel for the respect they extended us during a very difficult time.

A Memorial Service will be held for Mrs. Schreuders at a later date in Ucon, ID.

Mom, we will miss you.
