“ To all of you,
Sorry to here of the passing of your Dad, Father in law, and Grandpa. We had the pleasure to meet and talk to Gene a few years ago at the Lake Chelan Yacht Club. He was a pleasure to talk to about the Waterville life with my parents Bill and Marleen Witten. Bill Witten grew up in Waterville and knew Gene so they had good conversation. With Sympathy Thad, Robynne, Macey, and Curtis Keller.

“ We're so sorry to learn of Gene's passing. We remember fun times at the Franklin House dancing to the wonderful beat Gene provided. Then later at the Senior center we became better acquainted with him, and found out that one of his daughters worked with Dick at Douglas County PUD. Chris brought a wonderful sparkle to the IS Department. Our love and thoughts go out to all of Gene's family.

“ The Phillips family moved up on the hill in 1995 in E.Wenatchee. This very nice older couple lived further up on our street. My older daughter was 4 years old and my son was just a little guy. My youngest daughter wasn't born yet. But in 1999 the Wilson's met my youngest daughter. Gene and Jan had a dog names Bridget and my kids loved to go see that dog every chance the had. Gene and Jan loved the kids in the neighborhood. Their house was the "hang-out" place. Gene would give the kids candy. They were the sweetest people in the neighborhood. 22 years later Gene has passed away and my kids remembered how they enjoyed going to their house. My oldest daughter is 26, my son is 22 and my youngest daughter is 18. Gene and Jan impacted my children that they today can tell me stories of the times they were at their house. It saddens me that Gene has passed but he lived a good life and his presence was so special to so many people. Rest in Peace Gene Wilson and I know that you and Bridget are playing with that silly ball. Love to the Wilson family....always. Love, The Phillips family, Randy, Laurel, Jennifer, Bradley and Kendall.

“ We are so sorry to hear the news that Gene had passed away, but so grateful that he didn't have a long time to linger. I know that he meant a lot to all of his girls, including Jan, and he will be very missed. Please accept our sympathies. I will be out of town so unable to attend his services, but I will be thinking of you all.

“*Jan, Lori, Chris, Kim, and Jacque: I was so sorry to learn of Gene's passing. He was a good, good man, mechanic, and one heck of a drummer. I remember Paul Obergh say one time, in reference to his mechanical ability, "If Gene can't fix it, there ain't nobody can fix it." I have known him my entire life and have never heard a negative word about Gene. He will be missed by many. I have experienced the loss of my father and my husband. You will all be in my thoughts and prayers. Hugs to all.*

“*Dear Wilson family,*

Dorothy & I send you our heartfelt condolences on the passing of your beloved Gene. I recall the first time I saw him.....Janice had brought him to a high school dance in Entiat. He was a tall slim dude from Waterville with an awesome crewcut. I have known his beautiful Janice since the fourth grade

And so it is Gene that we are saying our final farewell which is so very hard. May you rest easy and touch the face of Jesus as you fly, fly away.

"May the Lord bless and keep you, the Lord make his face shine upon you and to be tender and gracious to you. The Lord lift up his countenance upon you and give you peace."

With love,

“ Gene was a kind gentle soul. Many wonderful memories growing up in Waterville and spending days and nights at their house with his daughter Chris (AKA Christine at that time) She was my best friend from 1st Grade through our 12th grade Graduation at Waterville High School, I spent so many times with Chris at Gene & Jan's house ...I was always accepted as one of their daughters. My heart goes out to Jan, Chris, Lori, Kim, Jacque and their families. Love to all of you. Janna
