Evelyn (Bowers) Bradley

August 27, 1936 - March 9, 2023

Evelyn Joyce Bradley passed away quietly on March 9, 2023.

Evelyn was born on August 27, 1936, in an old school house in Leahy, WA. She was the middle child of Chet Bowers and Nettie Nellis. She grew up in Mansfield and graduated from Mansfield High School in 1954. Evelyn always knew that she wanted to be a nurse and continued her education and training at Sacred Heart School of Nursing in Spokane where she graduated in 1957.

It was during her schooling at Sacred Heart that she met and fell in love with her husband, Junior Harold Bradley. After she graduated, they were married in 1958 and moved to northern California where she worked as a labor & delivery nurse while they raised their four children.

In the 1970s Evelyn and her family relocated to Peshastin/Dryden area and she began working for Central Washington Hospital. She helped deliver babies for over 30 years in the Wenatchee Valley and earned the nickname "Sarge" by her co-workers for her leadership in the delivery room.

Evelyn will not only be remembered for her dedication to her patients, but also to her family. She was very involved in her children, grandchildren, and great-

grandchildren's lives. Evelyn also loved to go camping, fishing, gambling, and shopping. She was best known for her quick wit, fierce determination, generous spirit, and extensive clothing collection. She was very social and made friends wherever she went.

Evelyn is survived by her children, Jay (Teri) Bradley, Jeff Bradley, and Jodi Cheyney; grandchildren Chelsea (Chris) Bradley, Kevin (Kayti) Bradley, Jerra (Jared) Kramer, Lindsey Reynolds, Doug & Ken Cheyney; great-grandchildren Isla & Waylon Bradley and Derek & Benjamin Kramer; many cousins, nieces, and nephews. She is preceded in death by her parents; sisters Eloise January and Jeanie Stevens; husband, Junior Harold Bradley, and daughter, Jill Reynolds.

A celebration of life will be held on June 24th at 11:00 am at the Mansfield Cemetery. In lieu of giving flowers, the family asks those who are able instead to make a donation to the Confluence Health Foundation.

“ I will miss Evelyn so very much. She trained me as a student nurse in 1992 and also admitted me to deliver my daughter in 1996. Thank you for allowing me to care for her- what an honor.

“ Grew up next door to Evelyn in Mansfield. I later worked at Central Washington Hospital at the same time she also worked there. We had memories in common. She was a wonderful caring, compassionate woman. My condolences to her family.
