Fayrene Settles

June 11, 1943 - February 19, 2023

East Wenatchee, Washington (Previously of Petaluma, California)

Fayrene Settles passed away on Sunday, February 19, 2023, due to complications from Alzheimer's Disease. She was 79.

She grew up in Stinnett, TX, a small town in the panhandle. She had many stories to tell of her adventures with her sister and cousins. At the time, just about everywhere you turned there was a relative...grandparents, aunts, uncles, and cousins.

She was a resident of Petaluma, CA, for 30 years where she found her calling as an antique dealer. She will be remembered as a long-time manager/dealer at Chelsea Antiques. The antique trade in Petaluma is a community of its own.

Many people found her generous. And the dogs found her even more generous. She was a lifetime lover of animals, and all animals who came in touch with her became her friend. Dogs would sometimes come to her unbidden in the streets (didn't hurt that she almost always had a treat for them).

Fayrene is survived by her children: Michael (Ann) Settles, Shelbi (Jim) Reynoldson, and Elizabeth (Bob) Knollenberg, as well as her five grandchildren: Daniel Beadle, Arianne Hatley-Settles, Jamie Reynoldson, Darian Reynoldson, and Sam Knollenberg: and her dog: Bella. She is preceded in death by her parents: Raymond and Eileen Sword, sister: Florae Mickles, and her son: Gary Settles, and her cat: Henry.

There will be no memorial service. Any donations in her memory can be sent to the Alzheimer's Association at alz.org
