Wenatchee, Washington

Frances Ellen Curtis, age 67, passed away at home surrounded by family on Saturday July 31st, 2021, due to a brief illness.

Born November 2nd, 1953, in Everett WA, to Clifford and Velma White. She attended high school in Snohomish WA, graduating in 1971. Frankie, as she liked to be called, met Ben Curtis while they both were working as nursing assistants in a local nursing facility. They married shortly after in May of 1972.

Frankie and Ben welcomed their first child Lisa in 1980 and their second daughter Mindy in 1981. Frankie quickly fell in love with the medical field and worked her way through nursing school graduating with her LPN license in 1986. She lived with her husband in the Everett, Snohomish, and Monroe areas but moved over to the eastern side of the mountains to be closer to Frankie's side of the family.

Frankie continued her career in caregiving not only as a healthcare provider but as a mother and mentor to many of her family's kids and children's friends alike. She is remembered as always putting everyone else's needs before her

own and taking care of everyone else. She was well loved, and her years were spent visiting with friends and family and caring for the people around her.

A celebration of life will be held at a later date to be determined. Memorial contributions or donations are welcome at <https://gofund.me/296d39db>.

Thank you to the wonderful staff at Central Washington Hospital and Hospice for making Frankie's final days easier on her family and on her.
