“ I was so sad to hear of Fred's passing. We were e-mail buddies for the last several years. He knew my brother, Jay, at EWU but I missed knowing him until we connected on classmates.com. I was so glad I could meet Jan at a mini EWU reunion. May God comfort and help you during this difficult time.

“ *Jan and family,  
My condolence on your deep loss. Between you and Mr. Wallick the high school had a committed couple to show us "young-ens" how it should be done. He impacted a lot of kids and made them more confident in who they were through art. A legacy that will impact generations!*
