“ Oh Sweet Sister my Heart is Broken you left us way to Soon...you touched so many Hearts, I always wished I had the craft gene but it passed me by...!!! You and Mom had the drive and talent to create, whether or not for Family or a Friend, I wish you would have leaned on us more.... I will Love you Forever..... 🤔🤔🤔🤔🤔

Miss Gayle-You were in my life only a short time but you became family instantly. I wish I had been able to do more for you, make more of a difference, been more patient. I wish I could have changed your mind about leaving. I pray you know you did & do matter, you were & are important & you will never be forgotten.
