“ *To Norma and Family;
Glen was a wonderful man that would always be so happy and bring smiles to our faces. Bill and I just loved being with Glen and Norma because it just made us feel good inside. We all worked hard to do our part to make Chelan County Fair work, but Glen ...well ; wow, he did a bit of everything and he'd help with anything even if it was early or late. What a great guy and what a privilege to know both Glen and Norma. Love you both. You made us feel like part of your family. Even when we didn't see each other for a long long time... it was always so good to see each other again. Hugs to you all and we want you to know you are in our tenderest thoughts and special memories as well as our prayers given just for all of your family.
Love, Marlene Dearing*
